

**HELP US IN THE GRANARY TEA ROOM
QUAY LANE, SUDBURY**

River Stour Trust

Registered charity number 257806

Who are we?

The River Stour Trust is a registered charity, led by volunteers who are dedicated to the restoration and conservation of the River Stour Navigation for the benefit and enjoyment of the public. Made famous by the painter John Constable, this beautiful river has a long history which the Trust hopes you will help us preserve. We have restored 3 locks and hope to restore more, to maintain the right of navigation for everybody to enjoy the river for all time.

A visit to our tea room is the perfect accompaniment to a river trip!

Why we want you

As a tea room volunteer you will be actively supporting the work of the Trust because you will be supporting the boat trip operation. We have regular visitors who come back to enjoy the friendly and relaxed service we offer at our peaceful, riverside venue. You will be helping to raise funds towards ongoing and future projects.

What's in it for you?

- Working in a beautiful, riverside location
- Chatting and socialising with people who enjoy the town and the river
- Meeting other volunteers and making new friends
- Knowing that your work is contributing to a good cause
- Satisfaction of providing customers with a pleasant and happy experience
- Knowing that you are helping to raise our profile as well as essential funds!
- Lunch and refreshments are provided free of charge to all volunteers
- Training and support is available for all volunteers

What will you do?

- Meet and greet customers
- Take orders and payment
- Prepare and serve simple hot and cold drinks
- Prepare and serve simple lunches such as filled rolls and toasted sandwiches
- Clear tables
- Some washing up before loading our sanitising dishwasher
- Hand out leaflets to those enquiring about the area, the river, River Stour Trust and our activities
- Can you make items that we can sell (soup, cakes, chutneys, jams, etc)?

When are you needed?

The tea room is open from Easter until the end of October on Sundays and Bank Holiday Mondays (11am-5pm). We also open other days for special events and the school summer holidays.

You might like to help once a month, every week, all day, half a day, morning only or afternoon only. Whatever you can do will help so why not join our happy group of volunteers?
