

Cattawade Work Party

Friday 5 February 2016

10.00am start

The River Stour Trust has agreed to be part of the Dedham Vale Scattered Orchard project. This means that we are going to plant four fruit trees at the Cattawade picnic site. They need to be planted (or at the very least heeled in somewhere suitable) soon after delivery within the next week.

Can you help on Friday 5 February at 10.00am at the Cattawade Picnic site?

All help gratefully received!

Please bring spades, forks, gardening gloves, secateurs, coffee etc (as well as planting the trees there is some clearing of the bank adjacent to the road to be done).

If you can come please let the Work Party Organiser, John Morris, know:

e-mail john@the-morris.es.net or texting 07980 003275
