

S2C HIRE CRAFT

SIT ON TOP KAYAK

**Suitable for 1
person only**

OPEN CANOE

**Capacity for 2 adults &
up to 2 small children**

PLEASE NOTE:

All hire craft include personal flotation devices and paddles.

The craft and equipment will be ready for collection on Saturday morning and must be returned to the agreed boat recovery location in good condition.

All hired craft must not be abandoned if you decide to give up during the event! You must liaise with us if you cannot continue for any reason.

Because of limited space for the large trailers, we have decided that the agreed boat recovery location for hired craft is the site shortly before Cattawade – you can either paddle or walk to Cattawade from in order to collect your certificate (and a well deserved cuppa!) but the boat must be returned to the agreed boat recovery location.

All craft hire proceeds are kindly donated to the River Stour Trust for the restoration & conservation of the River Stour Navigation.
