

The River Stour Trust is a registered charity (No. 257806) and proceeds from our passenger boat operations go toward the restoration, conservation and education of the Suffolk & Essex River Stour Navigation.

RST has adopted the Inland Waterways Association (IWA) Certificate of Boat Management scheme for its boat operations. All crew are volunteers that are fully trained and assessed to this standard. We have completed risk assessments for our boat operations (including Covid-specific).

Our terms relate to all our passenger boat operations. There are some differentiations between the types of trips offered at various locations (booking process, duration of trip, cooperation with others e.g. businesses, venues).
